

Product Warranty
Exide – Exide Energystore

One Year Guarantee

Exide Technologies warrants to the original user, that Exide Energystore batteries will be free from defects in material and workmanship for a period of one year from the date of shipment. Installation and commissioning should occur within three months of date of shipment.

Four Year Warranty

Exide Technologies further warrants to the original user, that Exide Energystore batteries for four years from their date of shipment when used in accordance with the operating instructions and the following conditions as specified below.

Should Exide find that any cell is in breach of this warranty, it will repair or replace the cell, and allow a credit on a pro rata basis, of that portion of the warranty term remaining. The pro rata credit shall be based on the original purchase price of the cell and this credit will be applied to the normal list price of a replacement Exide battery at the time of claim.

Conditions

Warranty is applicable if the cell/ battery fails to meet the requirements when tested in accordance with AS4086-2 and subject to following conditions.

- Maximum of one cycle per day
- Depth of discharge not to exceed 20% and the average temperature at 27C.
- Deep discharges (to 1.80vpc) to be limited to twice a year provided the batteries are fully recharged within two days of such discharge.
- Maintenance and operations logs to be maintained as per the operating instructions and such records are made available for inspection by Exide.
- Exide to be advised immediately if any of the above parameters exceed the reportable limits.
- In the event of a warranty claim, only Exide Technologies or their authorised representatives to effect any evaluation and repairs on the batteries.
- This product warranty is applicable on basis of the product being returned to Padstow, NSW..

Limitations on the Guarantee and Warranty:

In no event shall Exide Technologies be liable for consequential or incidental losses or damages. Exide further disclaims all implied warranties of merchantability and fitness.
